PROFILE

Situated in the beautiful Camden Haven, Camvet is located in the coastal town of Laurieton. This well established practice has been caring for animals for over 40 years, providing veterinary services to small and large animals. This experienced team is equipped to treat cats, dogs, rabbits, ferrets, guinea pigs, birds, snakes, lizards and wildlife. They also run a rural clinic off-site for large animals including, horses, cattle, goats and alpacas. A career with Camvet will see you gain experience in all facets of a mixed veterinary practice.

LOCATION

Laurieton is a coastal town on the Mid North coast of New South Wales, just 42km south of Port Macquarie. This stunning town is known for its scenic beauty, with its rivers, lakes, mountains, and lookouts. You might like to visit The Camden Haven Historical Museum in your downtime, or the North Brother Lookout for the most impressive panoramic view on the North Coast!
