PROFILE

Located on the beautiful Central Coast of NSW, Doyalson Animal Hospital is a modern, A-Class, purpose-built hospital that has recently been extended and renovated. The Doyalson team's purpose is 'to improve the quality of life of pets and their owners' and they achieve this by providing friendly, caring and professional service. Gain experience in all facets of a small animal veterinary practice with a supportive team of experienced vets. We have a team of **15 nurses** that support our vet team with their skills and humour. We truly are a family at Doyalson, and we treat a variety of companion animals, exotic pets, and native animals in the local community.

LOCATION

Doyalson is located just 107km's north of Sydney and 64km's south of Newcastle. Enjoy the convenience of a bustling regional centre with all the urban amenities along with easy access to pretty beaches and hinterland. Spend your downtime surfing, fishing, hiking, horseriding, kayaking on the lake or take a short trip to the city.
