## PROFILE

Based in the Mid North Coast region of NSW, Sweet Pea Animal Hospital is located on the southern outskirts of Forster on picturesque bushland. This large, recently renovated practice has all the latest equipment and diagnostic equipment to ensure each pet receives the highest quality care.

This practice has a strong focus on small animal medicine and surgery, provides emergency treatment to native wildlife and has a neighbouring animal rescue and adoption facility. Gain experience in a fast-paced yet rewarding atmosphere with a remarkable team.

## THE DIFFERENCE

Our core values of “Compassion, Respect, Education and Enthusiasm”, underpinned by Vets Central’s focus on developing THRIVING DREAMS, means that we work as an outwardly focused team. This means the team not only helps each individual ‘grow’ to their potential, but also partners with our clients to achieve the best outcomes for our patients. As such, we have an amazing workplace with clients WANTING the GOLD STANDARD veterinary care we offer.
